

Colouring BOOK

This colouring book is designed to support our youngsters in exploring the themes of Save Soil - a global exhibition of art, poetry and more.

What doesn't come from soil?

**My food grows from the soil.
My body grows from eating food.**

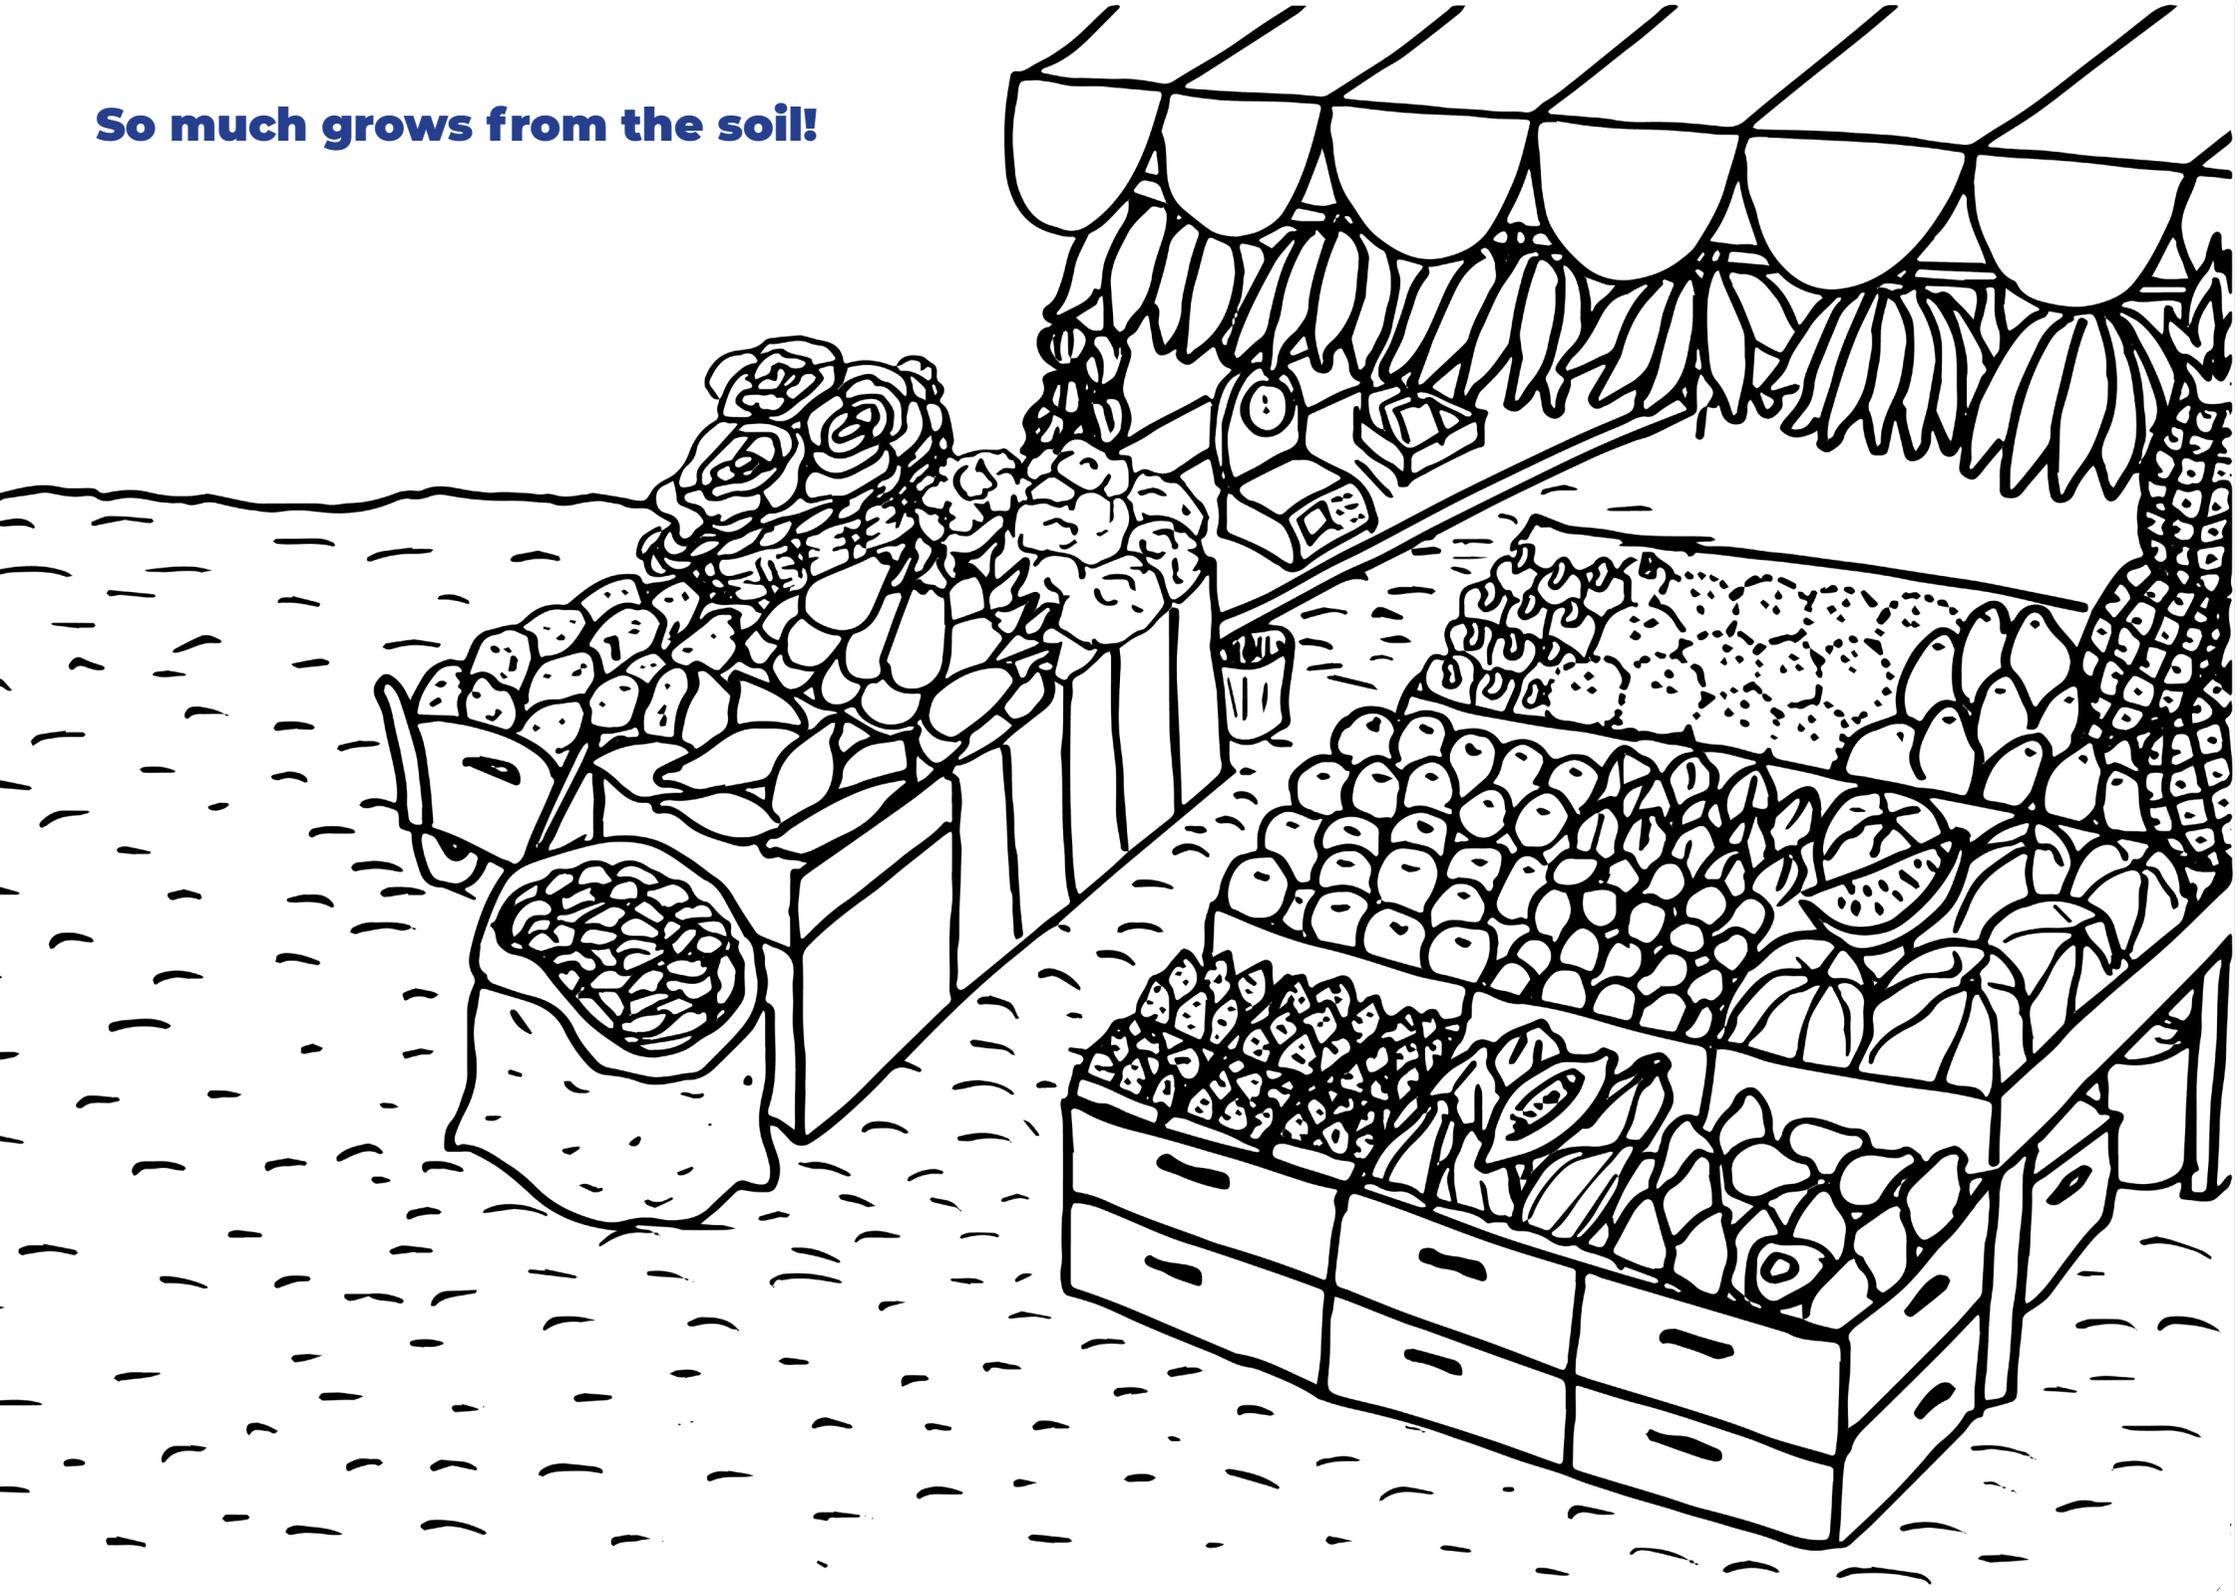

**How many creatures
live in the soil?**

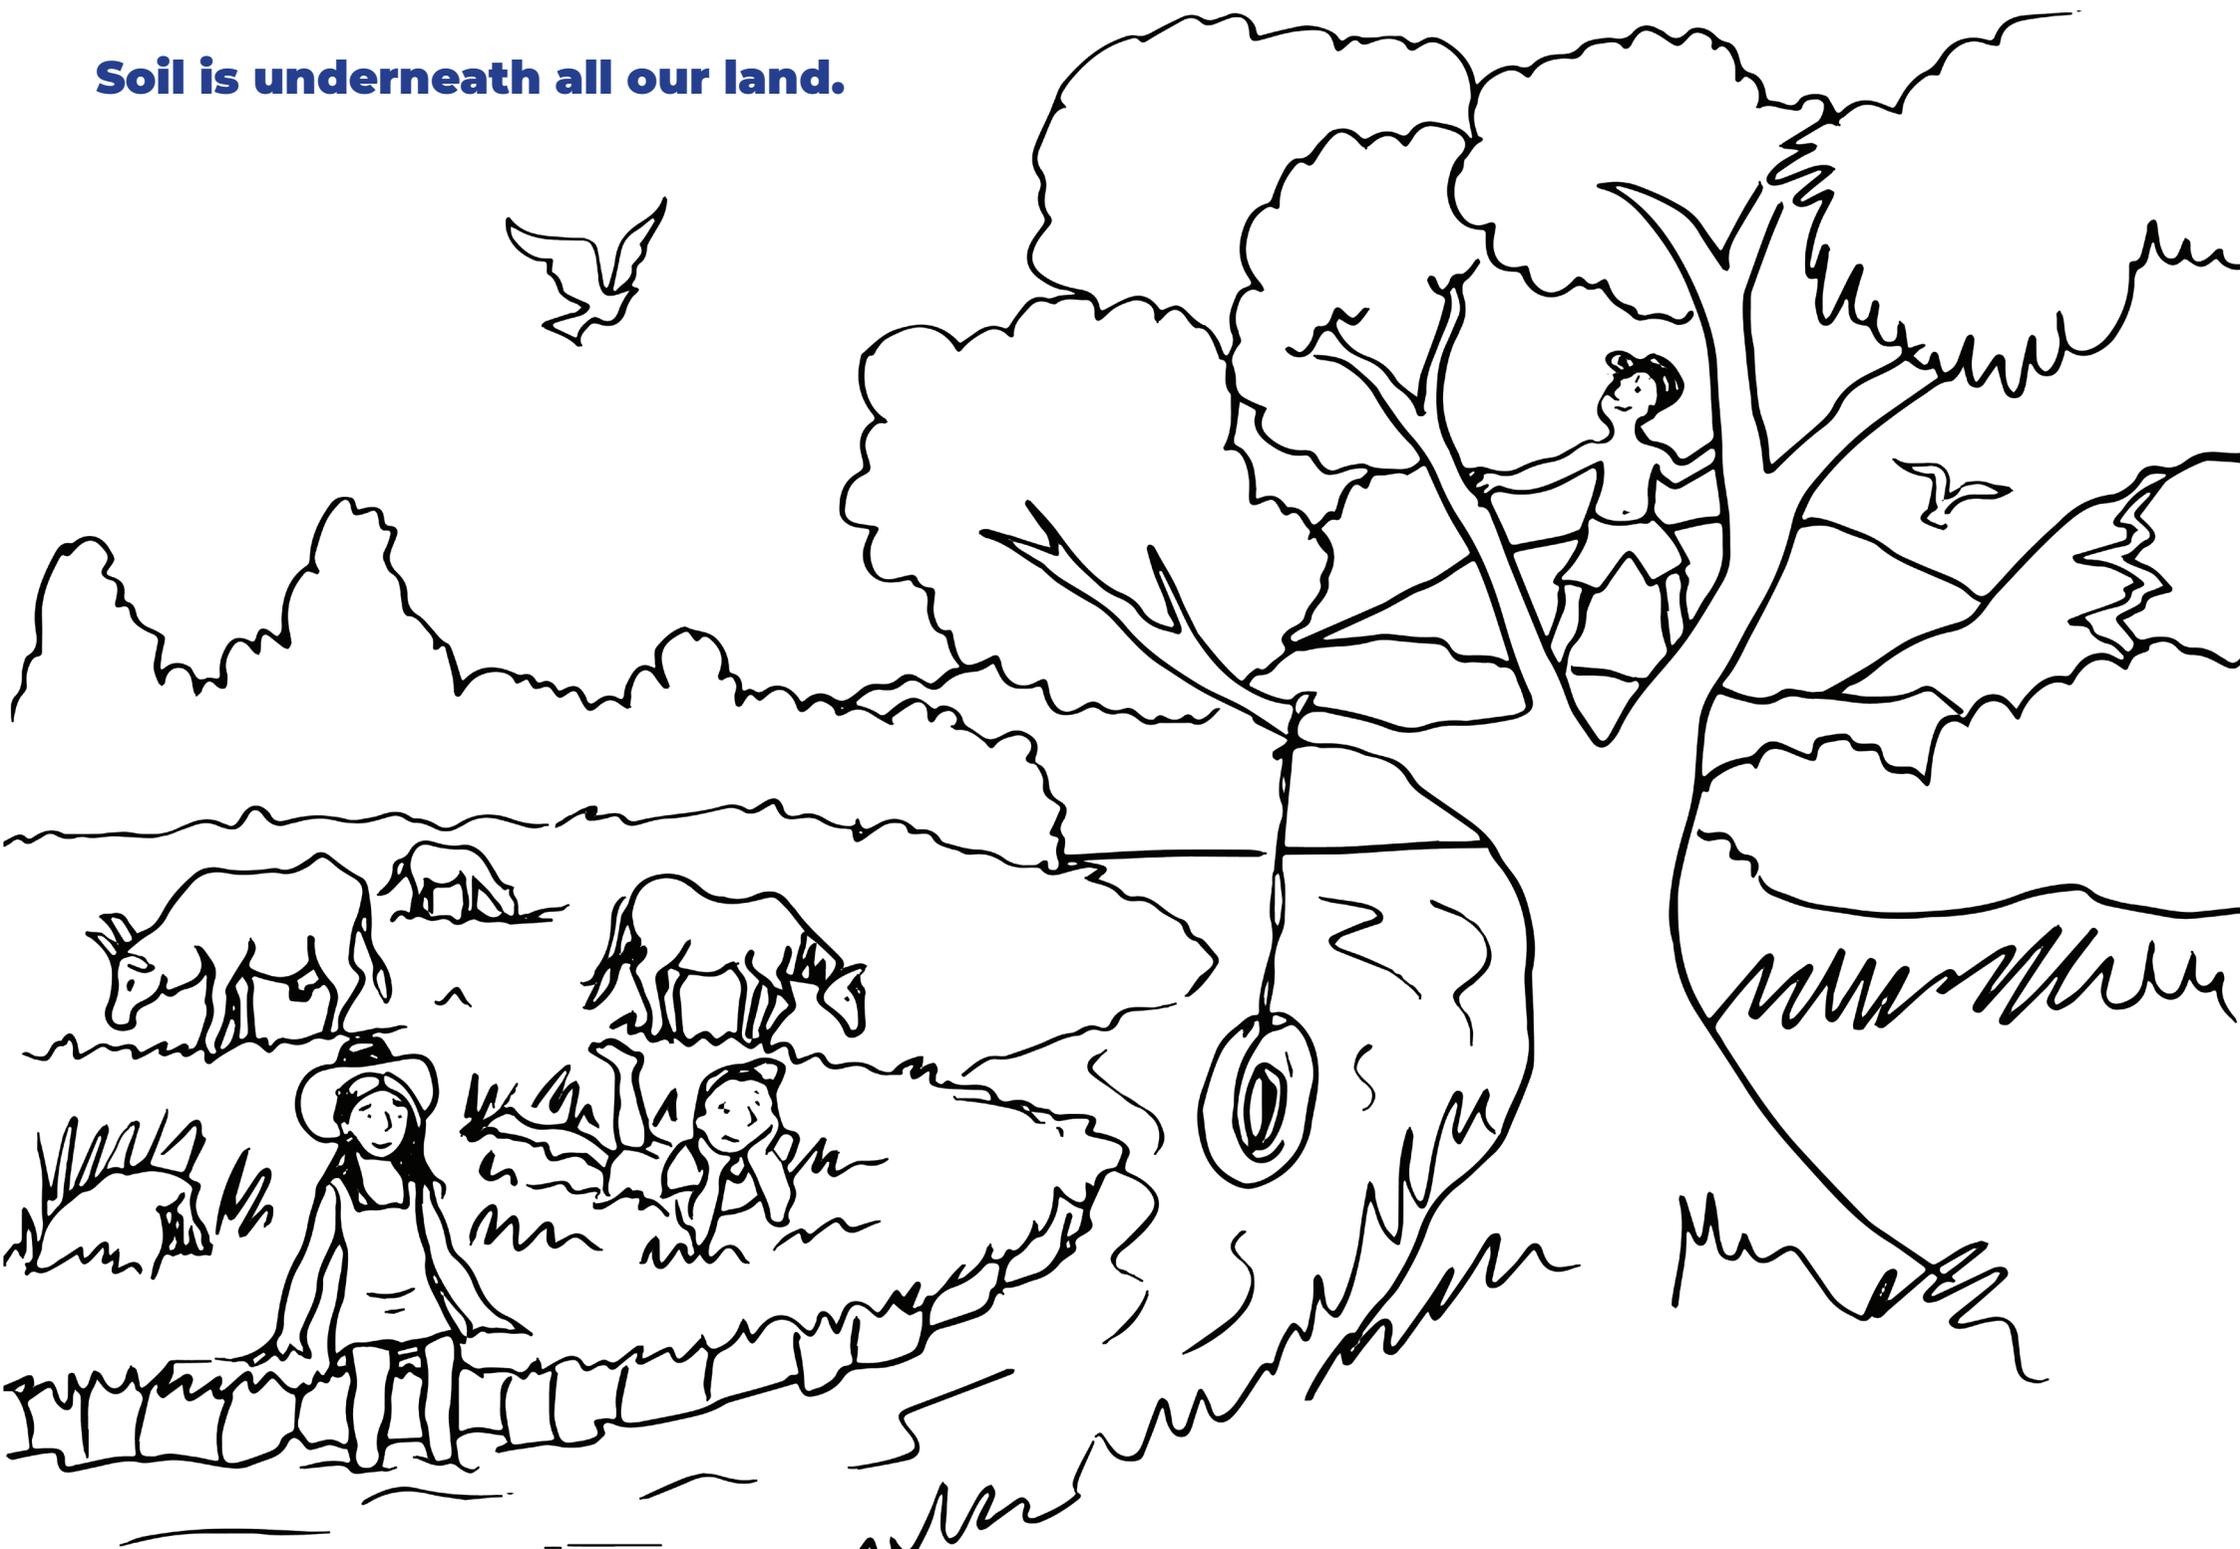

What does soil feel like?

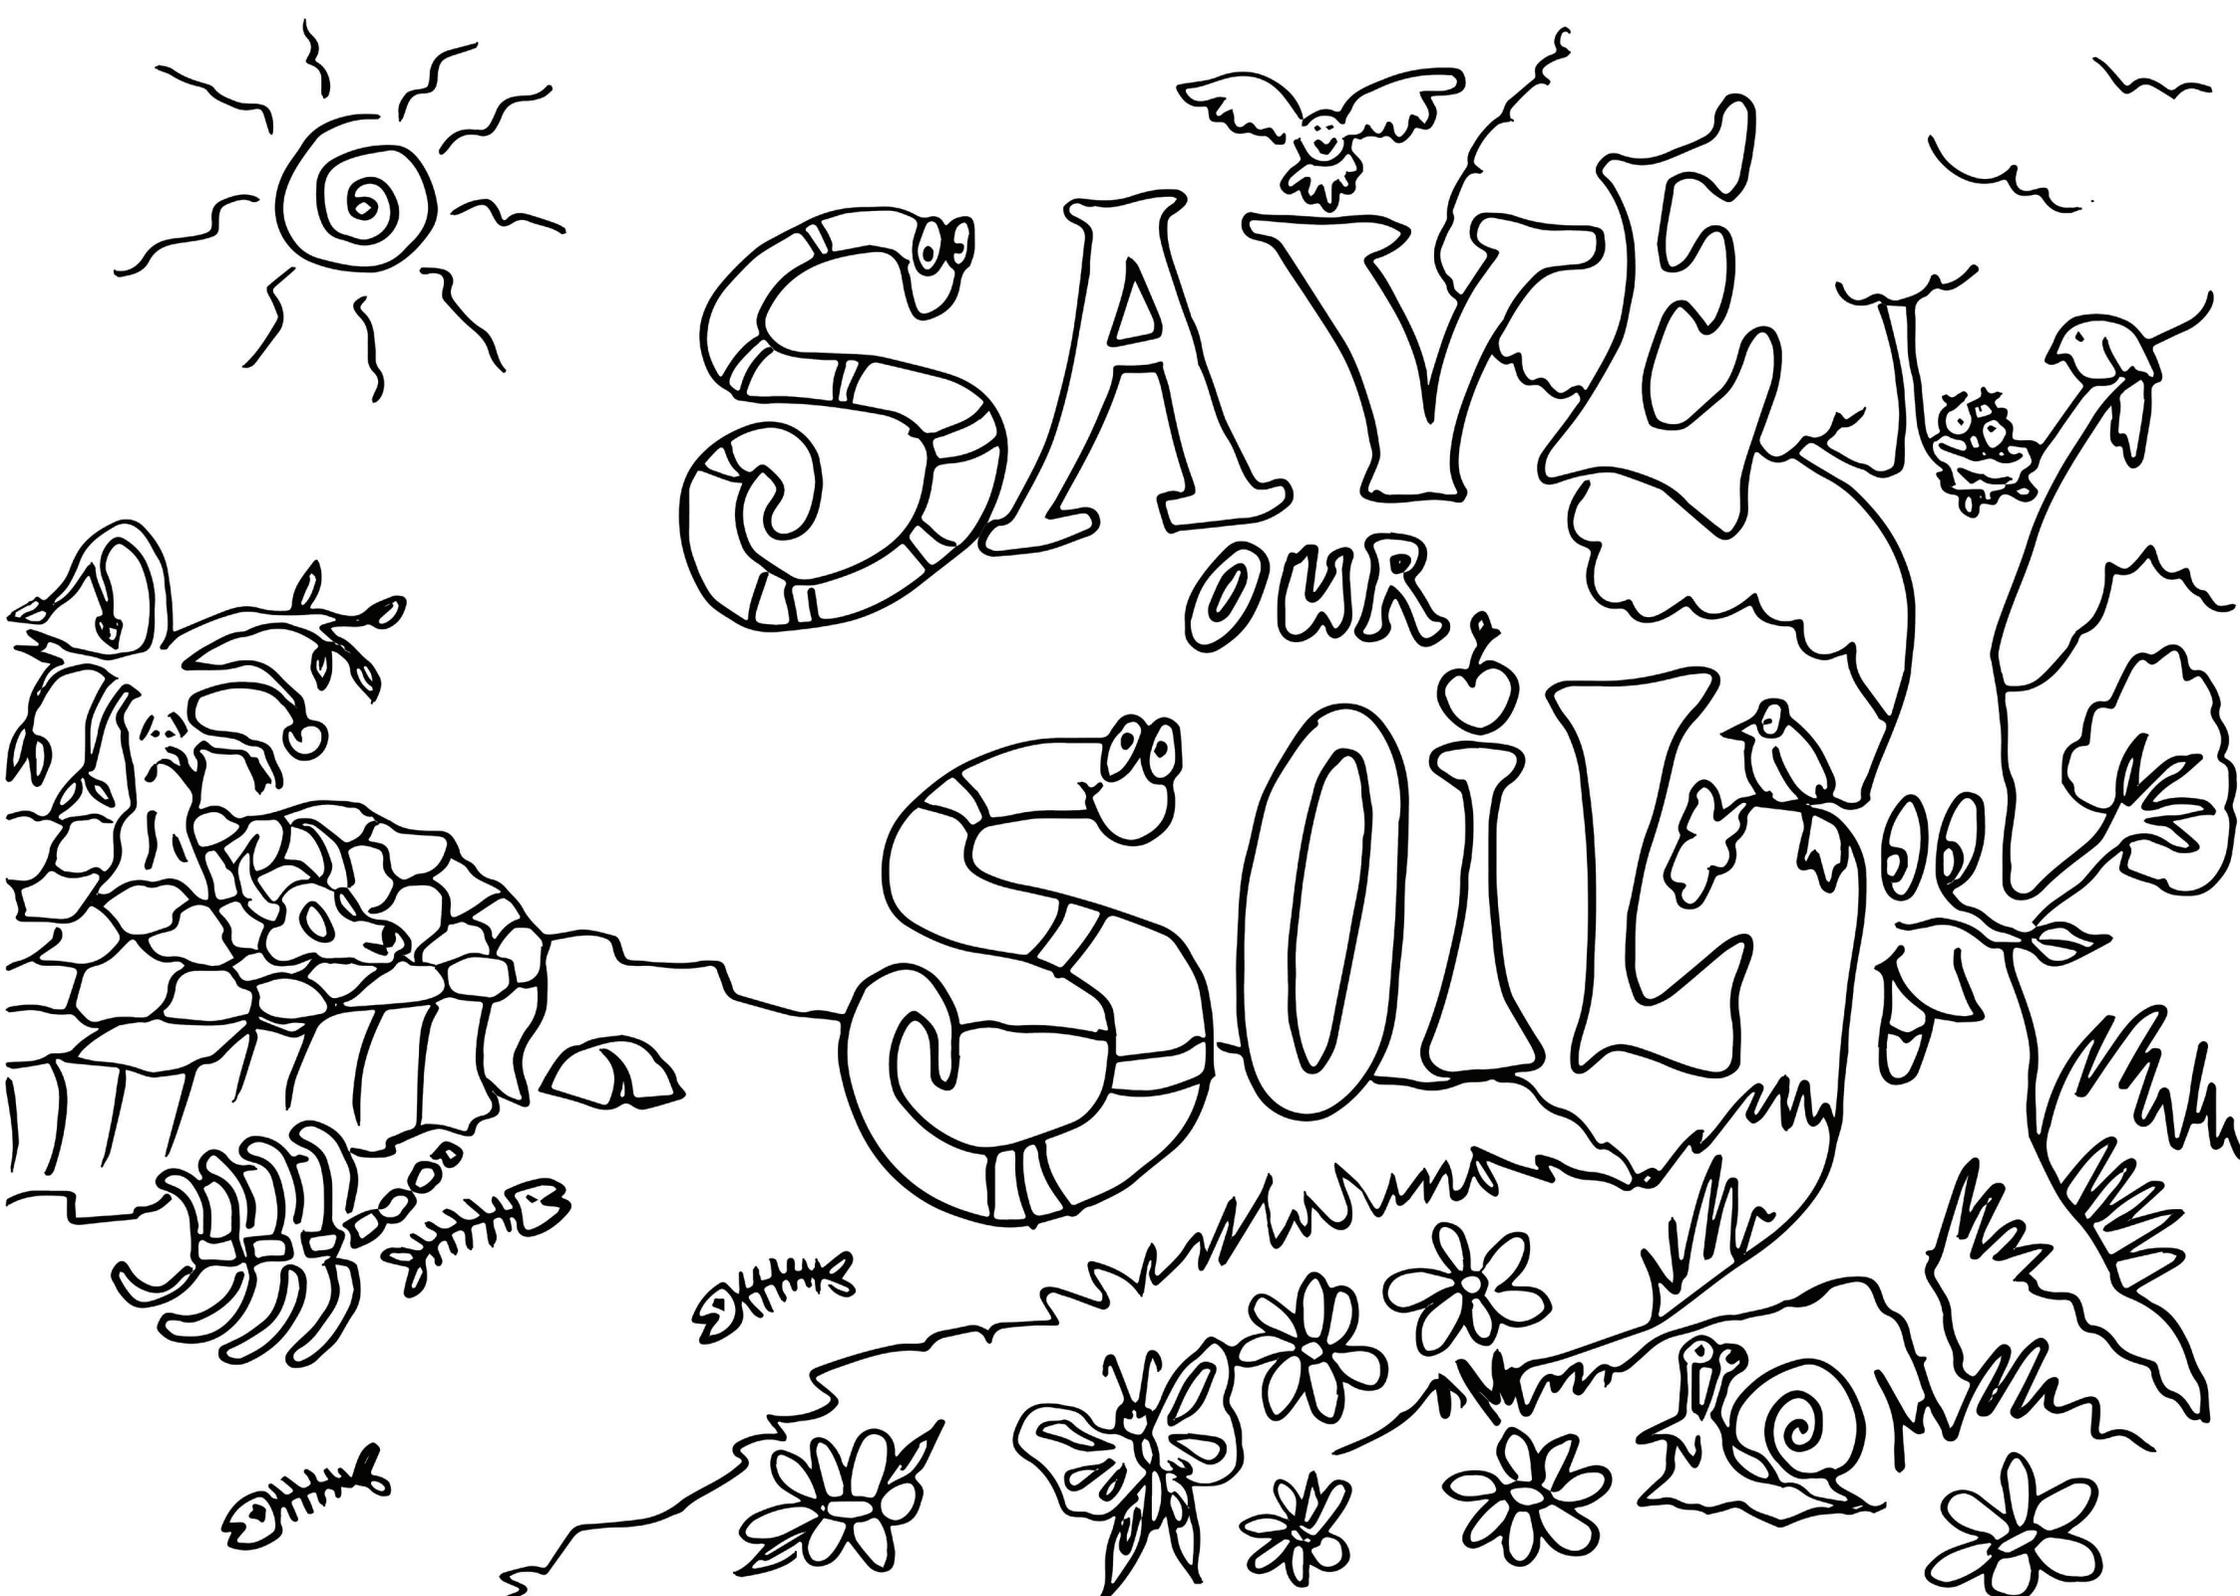

So much grows from the soil!

Soil is underneath all our land.

SAVE
OUR

SOIL

**If we save our soil, what
will it look like?**

Draw your own world!
